LEADS = BUSINESS OPPORTUNITIES!

Our lead program offers members an opportunity to bid on services needed by convening groups, local businesses and family gatherings. VisitRochester members receive the requests via email, and have the chance to have your information shared with meeting planners and local business executives planning meetings. If you would like to receive the leads, please be sure the Membership division has updated email addresses.

If you'd like to speak with a fellow member regarding the business received through the lead program, please contact Kelli O'Connor, Director of Convention and Visitor Services, and she can provide you with a list of members who benefit from this service. She can be reached at 585-279-8303 or at kellio@visitrochester.com.

Please welcome the following groups to the Greater Rochester area in May:
