

Public Relations

Legislative Action Day is Tuesday, **March 11th** in Albany. Please join us!

This is a great opportunity to meet with legislators, and to see how our state government works. It's also a chance to meet face-to-face with our state representatives to let them know the importance of tourism and the hospitality industry to New York State—and specifically, to Rochester. The Governor's budget includes \$20 million for I Love NY and \$5.3 million in matching funds.

If you are interested in joining other VisitRochester & Rochester Hotel Association members and staff on this day-long trip to Albany, please contact Patti Donoghue at pattid@visitrochester.com or 585 279-8315 for more information. Transportation will be provided.
