

Convention Sales

Ten representatives from VisitRochester, Clarion Riverside Hotel, Holiday Inn Airport, Hyatt Regency Rochester, Marriott Airport, Rochester Plaza Hotel, Rochester Riverside Convention Center, and the Woodcliff Lodge and Spa exhibited at the annual ESSAE (Empire State Society of Association Executives) in Saratoga Springs on June 26th. Over 200 association executives and meeting planners attended the show and we were able to visit with many of our existing NYS convention clients as well as meet some new contacts. This is always a good show for Rochester.
